Re: PM-1322, PM 1322 CIP, PM-1322 Foreign

Dear Art:

Enclosed is a new draft for PM-1322 CIP addressing some of the concerns you recently expressed to Charlie Smith regarding the scope of the claims. Along the same lines, also enclosed is a Preliminary Amendment for filing in PM-1322 once we get a Filing Receipt. The Preliminary Amendment amends the claims to reflect the concerns you expressed about the CIP claims and it also makes some other amendments and corrections.

Finally, I have enclosed a draft for PM-1322 (Foreign). The draft is based on the new CIP draft, but the claims have been "Europeanized" and the incorporations by reference deleted. The latter presented no difficulty as the original application was drafted with sufficient explanation, at least for foreign purposes, of the incorporated material, with foreign filing in mind.

Please let me have your comments.

Very truly yours,

JEFFREY H. INGERMAN
